

The GnuCash Credit Card System

Video 4 : Entering Credit Card Payments

Select your credit card account in the Chart of Accounts and double-click on it to open its register.

Enter the date: Enter the date of the payment.

Fill the "Transfer" field: In the "Transfer" field, select the bank account from which you are making the payment (e.g., your checking account).

Enter the payment amount: In the "Payment" field, enter the amount of the payment you are making to the credit card company.

Save the transaction: GnuCash will automatically record the transaction as a transfer from your bank account to the credit card liability account.
